

Technology specification	ZK2102AX4		
Spindle head number	4		
distance between spindles mm	120		
drilling hole diameter range mm	3-12	6-16	10-20
max drilling depth mm	440/950		
Drilling bar box spindle rotate speed(stepless) r/min	1000-7000	800-5000	600-4000
Drilling bar box spindle driver motor power	4kW×2	4kW×2	5.5kW×2
Headstock spindle speed(fixed value) (standard configuration is with headstock) optional without headstock	500 r/min		
Headstock spindle motor power	2.2 kW×2		
Cutting tool feed speed range (stepless) mm/min	5-500		
Cutting tool Feed carriage rapid moving speed m/min	3		
Cutting tool Feed motor torque Nm	7.7		
Coolant system pressure range MPa	1-10		
Coolant system flow range L/min	6-100	6-150	6-200
Machine tool total power (about)	39 kW	40 kW	42 kW
Overall dimension (L×W×H)	4050/5050×4050×2050	4250/5250×4450×2050	
Total weight (about)	6t/7t
