

COMPANY PROFILE

2026 Edition

E Steel Sdn Bhd
顺利钢业

Our Value

Vision

To become Asia's leading Industry 4.0 metal hub, offering the most trusted and comprehensive supply chain management expertise our customers rely on.

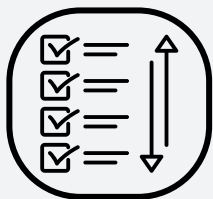

Mission

To ensure exceptional product quality, accurate specification matching, shortest possible lead times, and reliable delivery, while providing a seamless and convenient purchasing experience for our customers.

"Right Metals, Right Specifications to the Right Applications"

What We Do Best

Wide Selection & No MOQ

Different Grades of Materials, from Carbon Steels, Stainless Steels, Nickel Alloys & Titaniums, with over thousand of sizes.

Prompt Customer Support

Inquiries for in-stock items received before 6:00 PM are responded to within the same business day.

Global Sourcing

We work closely with our global partner warehouses to ensure that materials supplied meet the correct specifications and requirements.
