A close-up photograph of a brown cardboard egg carton. The top flap is partially open, revealing a red interior lining. On the top surface of the carton, there is a black ink stamp that reads "BEST USED BY:" followed by the date "01-03-10". Above this stamp, there is a small, partially visible logo or emblem, possibly a brand logo, which includes a shield-like shape and some illegible text. The lighting is soft, highlighting the texture of the cardboard and the red lining.
