Code: Eno mini 2125
(Includes Stylus)

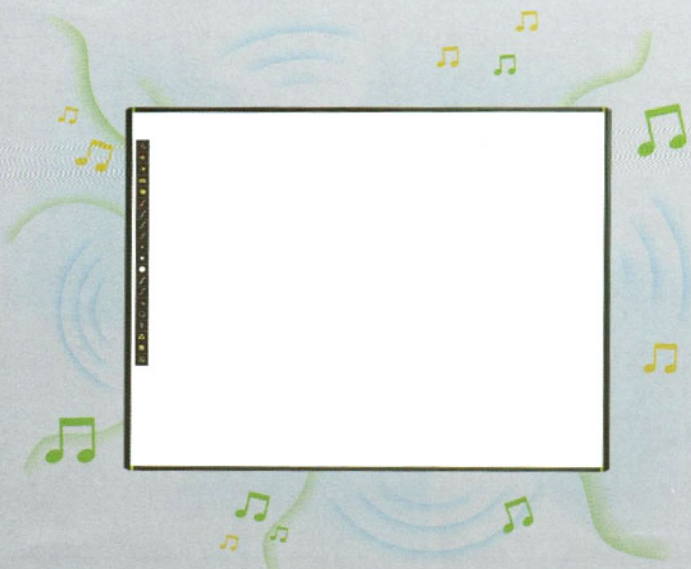

ēno[®] mini

interactive slate

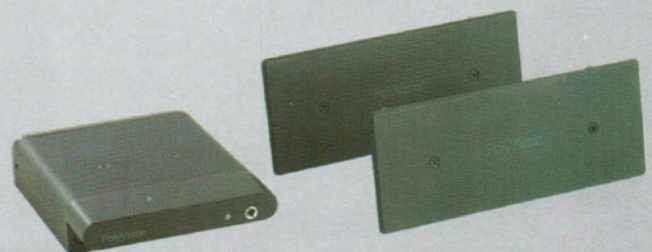

FEATURES

- Multi-user input
 - up to three users can simultaneously interact on ēno mini and/or ēno interactive whiteboards
- Durable
 - rugged grip surface is virtually indestructible and can withstand the rigors of any classroom
- Slate has no battery to charge and no electronics to fail
- Ergonomic design
 - comfortable to hold and lightweight
- Antimicrobial product protection
 - prevents bacteria and fungal growth on the surface of the product*
- Convenient storage
 - attaches magnetically to any steel surface including most markerboards and chalkboards
- Environmentally certified
 - Cradle-to-CradleSM Silver and SCS Indoor Advantage Gold certified
- Low total cost of ownership
 - sharing the stylus with an ēno interactive whiteboard lowers total cost. Identical user interface between ēno mini and ēno interactive whiteboard also minimizes training expenses
- Forever Warranty[™]
 - durable and long-lasting ceramicsteel surface that lasts a lifetime

ēno[®] play

sound-integrated interactive whiteboard

Code: Eno play 140

FEATURES

- Reaches auditory learners
 - Students who must hear to learn (60% of all students) are now equipped to make the most of their daily classroom experiences.
- Synchronized sound with multimedia lessons
 - Unlike normal speakers, ēno play combines audio and visual sources to create inspiring lesson subject matter.
- Quick-access volume control
 - Allows on-the-fly sound adjustment from the computer or application in use.
- Full room sound quality from a single source
 - A built-in, fully optimized amplifier brings premium tuned sound, from any audio input. A surround-sound effect is created without additional wiring or classroom modification.
- No visible speakers or amplifier
 - Exciter technology on the back of the ēno board eliminates protruding components that can be damaged or stolen.
- Simple, tool-free installation
 - Installs in minutes for a fully interactive board with an integrated sound system

DELUXE FLIP CHART
