

INFINITY Model WSS IP68 Waterproof Scale

APPLICATIONS

- For extreme wet and humid usages.
- Constant washdown
- seafood, poultry ,cold room environment
- Checkweighing HI- LO—OK , weighing

FEATURES

- Stainless steel or ABS Plastic casing
- Outstanding waterproof capability IP68
- Anti condensation proof
- Stainless steel casing by molding process
- Anti Vibration design
- Dual Face Display LED 0.56" (LCD option)

Specification

MODEL	WSS—Stainless steel WSP –ABS plastic					
A/D Converter	A/D Sampling rate: 15~20 times per second					
Load cell	Special Waterproof design					
Voltage	220 - 240V AC. Internal rechargeable 6V DC Battery					
Operation Temperature	-10 ~+40 C					
Pan stainless steel	18.8 x26.6cm					
Weight	3.5 kg (with battery)					
Max. Capacity	750g	1.5kg	3kg	7.5kg	15kg	30kg
Mini. Capacity	4g	10g	20g	40g	100g	200g
Verification Scale Interval(e)	0.2g	0.5g	1g	2g	5g	10g
Minimum Scale Interval(d)	0.1g	0.2g	0.5g	1g	2g	5g
Max Tare	750g	1.5kg	3kg	7.5kg	15kg	30kg
