UEN No. 200311967G

7. Handling and storage

Storage Conditions : It is good general practice to store in closed and preferably dark colored containers away from heat source and protected from extremes temperature.

General Handling : Handle in accordance with good occupational hygiene and safety precaution practices in well ventilated areas.

8. Exposure controls and personal protection

Exposure Controls : Maintain adequate ventilation.

Respiratory Protection : Not generally required. (Use inhalation protection in poorly ventilated areas)

Hand Protection : Wear chemically resistant disposable gloves.

Eye Protection : Wear safety goggles.

Skin Protection : Wear overalls. Always wash routinely before breaks, meals and at the end of the work period.

9. Physical and chemical properties

Appearance : Clear Pale – Yellow Liquid.

Odor : Characteristic.

Flash point : > 62 °C

Specific gravity (20°C) : 0.9220 – 0.9420

Solubility in other solvents : Soluble

Refractive index (20°C) : 1.4525 – 1.4725

10. Stability and reactivity

Stability : Good stability at standard temperature. Avoid temperature above or near the flash point. Do not heat closed containers. No reaction with water.

Material to avoid : Strong oxidizing materials.
