ABOUT US

Ond Lift – Global Expertise, Engineered for Performance

Ond Lift is a globally established manufacturer of Lift Tables and Goods Lifts, proudly serving industries across three continents. Our state-of-the-art manufacturing facility is located in Manisa, Turkey, while our sales and service operations in Germany and the USA ensure we remain close to our customers worldwide.

With over four decades of specialized experience, Ond Lift has refined its engineering capabilities to deliver lifting systems that meet the highest standards of quality, reliability, and adaptability. Our deep industry knowledge has enabled us to work closely with global partners across logistics, manufacturing, warehousing, and beyond.

We are dedicated to designing and producing both standard and bespoke lifting solutions that can adapt to evolving workflows. As industries grow and change, our systems are engineered to evolve with them—eliminating the need to replace equipment as working methods shift.

At Ond Lift, we believe the most effective machinery is built with precision, flexibility, and long-term performance in mind. These values are not just design principles—they're the foundation of every solution we deliver.
